

ALLIANCE CONTRACT

Option X29 Climate Change

Identified and defined terms	X29 X29.1	<p>(1) The Climate Change Requirements are the requirements relating to climate change stated in the Scope.</p> <p>(2) The Issued Climate Change Plan is the <i>climate change plan</i> or is the latest climate change plan issued by the Alliance Manager. The latest climate change plan issued by the Alliance Manager supersedes previous Climate Change Plans.</p> <p>(3) The Climate Change Partners are the people or organisations who contribute to the achievement of the Climate Change Requirements and are identified in the Climate Change Requirements.</p>
Collaboration	X29.2	The Alliance collaborates with other Climate Change Partners as stated in the Climate Change Requirements.
Early warning	X29.3	A member of the Alliance and the Alliance Manager give an early warning by notifying all other members of the Alliance as soon as either becomes aware of any matter which could adversely affect the achievement of the Climate Change Requirements.
Climate change plan	X29.4	<p>(1) If a climate change plan is not identified in the Contract Data, the Alliance Manager prepares a first climate change plan and issues it to the Alliance within the period stated in the Contract Data.</p> <p>(2) The Climate Change Plan shows how the Alliance plans to meet the Climate Change Requirements.</p> <p>(3) The Alliance Manager or a member of the Alliance may propose a change to the Climate Change Plan.</p> <p>(4) The Alliance Manager revises the climate change plan and issues it to the Alliance when the Alliance Manger or a member of the Alliance requests that the Climate Change Plan is changed and the Alliance Manager, in consultation with the Alliance decides, to change it.</p>
Disclosure	X29.5	The members of the Alliance may use, disclose and publicise information relating to climate change as stated in and for the purposes stated in the Climate Change Requirements.
Proposals	X29.6	The Alliance Manager or a member of the Alliance may propose to the Alliance Board that the Scope is changed in order to reduce the impact of the creation, operation, maintenance or demolition of the <i>works</i> on climate change.

CONTRACT DATA – PART ONE

X29 Climate change

If Option X29 is used

If a *climate change plan* is to be identified in the Contract Data

The *climate change plan* identified in the Contract Data is

If no *climate change plan* is to be identified in the Contract Data
