he notifies the *Contractor* of his decision that the Prices, the Completion Date and the Key Dates are not to be changed. If the *Project Manager* decides otherwise, he notifies the *Contractor* accordingly and instructs him to submit quotations. - a longer period to which the *Contractor* has agreed.

If the *Project Manager* does not notify his decision, the *Contractor* may notify the *Project Manager* of his failure. A failure by the *Project Manager* to reply within two weeks of this notification is treated as acceptance by the *Project Manager* that the event is a compensation event and an instruction to submit quotations.

Y1.1 Definitions

(1) The Authorisation is a document authorising the project bank to make payments to the Contractor and Named Suppliers.

(2) Named Suppliers are named suppliers and other Suppliers who have signed the Joining Deed.

(3) Project Bank Account is the account used to receive payments from the Employer and the Contractor and make payments to the Contractor and Named Suppliers.

(4) A Supplier is a person or organisation who has a contract to
   - construct or install part of the works,
   - provide a service necessary to Provide the Works or
   - supply Plant and Materials for the works.

(5) Trust Deed is an agreement in the form set out in the contract which contains provisions for administering the Project Bank Account.

(6) Joining Deed is an agreement in the form set out in the contract under which the Supplier joins the Trust Deed.

Y1.2 Project Bank Account

The Contractor establishes the Project Bank Account with the project bank within three weeks of the Contract Date.

Y1.3

Unless stated otherwise in the Contract Data, the Contractor pays any charges made and is paid any interest paid by the project bank. The charges and interest by the project bank are not included in Defined Cost.

Y1.4

The Contractor submits to the Project Manager for acceptance details of the banking arrangements for the Project Bank Account. A reason for not accepting the banking arrangements is that they do not provide for payments to be made in accordance with this contract. The Contractor provides to the Project Manager copies of communications with the project bank in connection with the Project Bank Account.

Y1.5 Named Suppliers

The Contractor includes in his contracts with Named Suppliers the arrangements in this contract for the operation of the Project Bank Account and Trust Deed. The Contractor notifies the Named Suppliers of the details of the Project Bank Account and the arrangements for payment of amounts due under their contracts.

Y1.6

The Contractor submits proposals for adding a Supplier to the Named Suppliers to the Project Manager for acceptance. A reason for not accepting is that the addition of the Supplier does not comply with the Works Information. The Employer, the Contractor and the Supplier sign the Joining Deed after acceptance.
Y1.7 Payments
On or before each assessment date, the Contractor submits to the Project Manager an application for payment, and shows in the application the amounts due to Named Suppliers in accordance with their contracts.

Y1.8
Within the time set out in the banking arrangements to allow the project bank to make payment to the Contractor and Named Suppliers in accordance with the contract,
- the Employer makes payment to the Project Bank Account of the amount which is due to be paid under the contract and
- the Contractor makes payment to the Project Bank Account of any amount which the Employer has notified the Contractor he intends to withhold from the certified amount and which is required to make payment to Named Suppliers.

Y1.9
The Contractor prepares the Authorisation, setting out the sums due to Named Suppliers as assessed by the Contractor and to the Contractor for the balance of the payment due under the contract. After signing the Authorisation, the Contractor submits it to the Project Manager no later than four days before the final date for payment. The Employer signs the Authorisation and submits it to the project bank no later than one day before the final date for payment.

Y1.10
The Contractor and Named Suppliers receive payment from the Project Bank Account of the sums set out in the Authorisation as soon as practicable after the Project Bank Account receives payment.

Y1.11
A payment which is due from the Contractor to the Employer is not made through the Project Bank Account.

Y1.12 Effect of payment
Payments made from the Project Bank Account are treated as payments from the Employer to the Contractor in accordance with this contract or from the Contractor or Subcontractor to Named Suppliers in accordance with their contracts as applicable. A delay in payment due to a failure of the Contractor to comply with the requirements of this clause is not treated as late payment under this contract.

Y1.13 Trust Deed
The Employer, the Contractor and named suppliers sign the Trust Deed before the first assessment date.

Y1.14 Termination
If the Project Manager issues a termination certificate, no further payment is made into the Project Bank Account.
