

NEC ASIA PACIFIC CONFERENCE

NEC's official conference dedicated to supporting the APAC region

Shared Success: Advancing Collaboration, Innovation and Resilience

Date: Thursday 27 November 2025 | **Time:** 8am - 6pm (HKT) | **Location:** Cordis Hotel, Hong Kong

Event website: neccontract.com/apac25

Hosted by NEC in collaboration with the Development Bureau (DEVB), this regional conference brings together leading industry experts, government leaders, industry pioneers and emerging voices to explore how collaboration, innovation and resilience can work in synergy to transform infrastructure outcomes.

Through case studies and practical sessions, the conference will showcase how NEC principles drive change, spanning strategic collaboration, digital supervision, performance delivery, sector innovation and climate resilience. Every session moves from principle to practice. Tools and leadership insights will be highlighted to show how infrastructure and construction are actively being reshaped across Asia-Pacific.

This is your opportunity to:

- Gain exclusive insights from globally recognised leaders and technical specialists
- Insights into NEC projects that exemplify collaborative delivery in action
- Explore case studies from across the region, from policy reform to digital delivery
- Engage with decision makers shaping the future of infrastructure and construction
- Discover practical tools to navigate delivery complexity, mitigate risk and enhance safety
- Connect with peers, partners and innovators driving change across sectors

This is more than an event. It is a regional platform for alignment, capability building and strategic collaboration. Together, we are not just delivering infrastructure and building. We are building trust, growing talent and creating connected communities across Asia-Pacific.
