Chapter 6

On Page 37 delete the second paragraph and replace it with the following:

“Note that, where the particulars of the Contractor’s design are to be submitted for acceptance during the contract under clause 21.2, these submissions do not form part of the Works Information. The only person that can change the Works Information is the Project Manager under the various clauses in the contract. However, if the Contractor does not construct the works in accordance with the accepted design, that will be a Defect under clause 11.2(5).”
