

Amendments to Y(UK)2

PSC

Page 49, Y2.2, delete clause and replace with the following.

The date on which a payment becomes due is the later of

- the date of receipt by the Party making payment of an invoice, issued in accordance with these *conditions of contract*
-
- and
- fourteen days after the assessment date.

The date on which the final payment becomes due is the later of

- the date of receipt by the Party making payment of an invoice, issued in accordance with these *conditions of contract* and
 - if the *Service Manager* makes an assessment after the *defects date* or the date the last Defect is corrected, six weeks after the *defects date* or the date the last Defect is corrected, whichever is the later,
 - if the *Service Manager* does not make an assessment after the *defects date* or the date the last Defect is corrected, two weeks after the *Consultant* issues its assessment or
 - if the *Service Manager* has issued a termination certificate, fifteen weeks after the issue of the certificate.

The final date for payment is seven days after the date on which payment becomes due, or a different period for payment if stated in the Contract Data.

The *Service Manager's* certificate is the notice of payment specifying the amount due at the payment due date (the notified sum, which may be zero) and stating the basis on which the amount was calculated. If the *Service Manager* does not make an assessment after the *defects date* or the date the last Defect is corrected, the *Consultant's* assessment is the notice of payment.

Page 48, Y2.2, delete clause and replace with the following.

The date on which a payment becomes due is the later of

- the date of receipt by the Party making payment of an invoice, issued in accordance with these *conditions of subcontract* and
- fourteen days after the assessment date.

The date on which the final payment becomes due is the later of

- the date of receipt by the Party making payment of an invoice, issued in accordance with these *conditions of subcontract* and

- if the *Contractor* makes an assessment after the *defects date* or the date the last Defect is corrected, six weeks after the *defects date* or the date the last Defect is corrected, whichever is the later,
- if the *Contractor* does not make an assessment after the *defects date* or the date the last Defect is corrected, two weeks after the *Subcontractor* issues its assessment or
- if the *Contractor* has issued a termination certificate, sixteen weeks after the issue of the certificate.

The final date for payment is fourteen days after the date on which payment becomes due, or a different period for payment if stated in the Subcontract Data.

The *Contractor's* certificate is the notice of payment specifying the amount due at the payment due date (the notified sum, which may be zero) and stating the basis on which the amount was calculated. If the *Contractor* does not make an assessment after the *defects date* or the date the last Defect is corrected, the *Subcontractor's* assessment is the notice of payment.

The date on which a payment becomes due is the later of

- the date of receipt by the Party making payment of an invoice, issued in accordance with these *conditions of contract* and
- fourteen days after the assessment date.

The date on which the final payment becomes due is the later of

- the date of receipt by the Party making payment of an invoice, issued in accordance with these *conditions of contract* and
 - if the *Service Manager* makes an assessment after the end of the Service Period, fifteen weeks after the end of the Service Period or, if a different period is stated in the Contract Data, within the period stated,
 - if the *Service Manager* does not make an assessment after the end of the Service Period, two weeks after the *Contractor* issues its assessment or
 - if the *Service Manager* has issued a termination certificate, fifteen weeks after the issue of the certificate.

The final date for payment is seven days after the date on which payment becomes due, or a different period for payment if stated in the Contract Data.

The *Service Manager's* certificate is the notice of payment specifying the amount due at the payment due date (the notified sum, which may be zero) and stating the basis on which the amount was calculated. If the *Service Manager* does not make an assessment at the end of the Service Period, the *Contractor's* assessment is the notice of payment.
