

Schedule of Cost Components – ALLIANCE CONTRACT

Amend component 1 to the following.

The following components of the cost of

- people who are employed by a Partner and whose normal place of working is within the Working Areas,
- people who are employed by a Partner and whose normal place of working is not within the Working Areas but who are working in the Service Areas, proportionate to the time they spend working in the Working Areas and
- the people listed in Contract Data who are employed by a Partner, whose normal place of working is not within the Working Areas and who are working outside of the Working Areas other than on manufacture and fabrication and providing a *service*.

If the Alliance Manager agrees, additional people may be assessed as if they were listed in the Contract Data.

Add the following to the start of components 11, 12 and 13.

For people who are directly employed by a Partner,

Amend component 14 to the following.

For people who are not directly employed by a Partner but are paid for by a Partner according to the time they work, the amounts paid by a Partner.

Contract Data – ALLIANCE CONTRACT

Add the following entry under the heading “Data for the Schedule of Cost Components”

The people listed in Contract Data who are employed by a Partner, whose normal place of working is not within the Working Areas and who are working outside of the Working Areas other than on manufacture and fabrication and providing a *service* are
